Hi George. No, I don't need a copy. I have the initial app. When I received your FR, I thought you were adding new money (supplemental) so I was looking for an application. In the future, when you plan to add more money to this grant, please complete a Change Request for incremental funding. This is what PO's usually use when they haven't fully funded a grant. I am attaching a copy of the instructions. Take care.

It should be a two-year application. Let me know if you need a copy?

Hi George, I don't think I have an application. I will double check tomorrow. Do you know if they submitted one.
